

Your Property, Our Passion

DURDEN & HUNT
INTERNATIONAL

Award Winning London & Essex Estate Agency

Durden & Hunt elevate your home's potential by providing tailored advice, innovative marketing strategies and a hands on approach to match your property with the right people.

Local Expertise: We know the neighbourhoods, pricing trends and what potential buyers and tenants are looking for.

Trusted Reputation: We have a strong reputation in the community and over 500 5 star Google reviews.

Comprehensive Marketing: We utilise robust marketing campaigns including professional photography, videography and effective online and offline advertising.

Expert Negotiation: We negotiate effectively on your behalf, ensuring you achieve the best possible price.

Customer Focus: We prioritise customer satisfaction offering personalised expertise and support throughout the entire process.

Network Connections: We possess an extensive database of local and international clients and recommended industry professionals.

Award Winning: We are recognised by leading industry associations for our commitment to excellence and exceptional service.

Your home deserves
extraordinary attention.

Unrivalled Photography elevates a home, capturing its potential and creating a lasting impression.

First Class Videography brings properties to life, offering a dynamic, immersive experience and exhibiting its unique features.

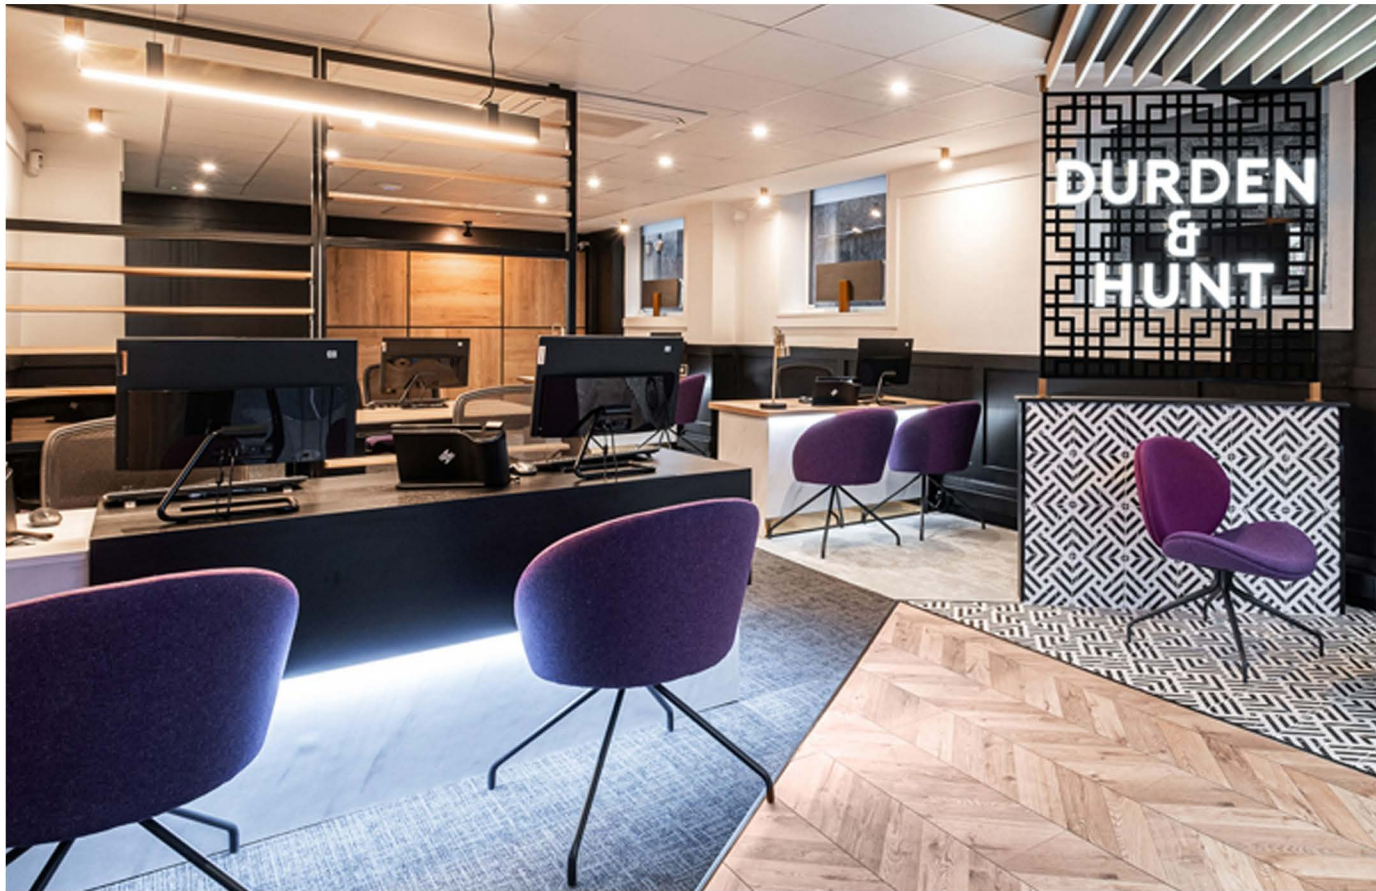

Exceptional Drone imagery and footage gives a unique perspective with aerial views that accentuate surroundings and scale.

Comprehensive Floorplans provide a detailed layout of the property helping visualisation and highlighting scope.

Statement Window Displays and Boards capture the attention of local buyers and attract awareness in an engaging way.

Multichannel Marketing maximises exposure across all major UK portals, international sites, social networks and within print and digital media.

Selling Redefined

We are a leading estate agency renowned for innovative techniques and expertise in property sales across London, Essex, Hertfordshire and Suffolk. With a strong focus on premium marketing and a tailored client approach, we blend traditional values and modern technology to deliver exceptional results. Whether dealing with luxury residences, family homes or investment properties, we offer a seamless, professional service designed to achieve the optimal outcome for our clients. Our knowledgeable teams provide honest advice, strategic pricing and dynamic exposure to the right buyers, ensuring properties stand out in a competitive market. Once sold, our passionate sales progression team effectively and efficiently drive the sale through to exchange and completion.

Rentals Streamlined

We offer a comprehensive and professional lettings service, designed to support landlords and tenants throughout every stage of the rental process. With in depth market knowledge and a proactive strategy, we ensure properties are let quickly, to reliable tenants and at the best possible rates. Our dedicated lettings team can handle everything from marketing and viewings to referencing, compliance and property management, providing peace of mind and consistent communication throughout. Whether it's a single buy to let or a large portfolio, we utilise modern tools and exceptional service to make renting properties as smooth and as efficient as possible.
